

Cooperative/Intern Education Program

STUDENT AGREEMENT

I, the undersigned, understand that the Cooperative/Intern Program at Central Virginia Community College is an academic program, not a job service. In order to participate, I must meet and maintain the required standards set forth in the Handbook. I understand that if I accept a position to which I was referred by CVCC, I must register for program credit hours. The number of credits I register for will be based on the hours worked per week, as determined by the Coordinator.
