

Lynchburg Regional Governor's  
XLR8 STEM Academy

**Inclement Weather Transportation Form**

Student Name: \_\_\_\_\_

If inclement weather begins while the XLR8 STEM Academy is in session, the XLR8 STEM Academy Director will make the decision whether or not to dismiss students early. Each student must have a completed *Inclement Weather Transportation Form* on file in the XLR8 STEM Academy Office. It is this form the XLR8 staff will use to determine the preference parents/guardians have for their students' transportation arrangements in an early dismissal situation. Regardless of the preference indicated, **each student must sign out in the XLR8 STEM Academy Office before leaving the building.**

**In the event of inclement weather and the subsequent early closing of the XLR8 STEM Academy, I request that my child follow the procedure checked below.**

\_\_\_\_\_ Drive home

\_\_\_\_\_ Call parent/guardian before attempting to drive home

\_\_\_\_\_ Ride the shuttle bus provided by his/her school division or wait to be picked up\*

\_\_\_\_\_ Ride home with whoever would drive him/her home if there wasn't an early dismissal

\_\_\_\_\_ Other \_\_\_\_\_

**\*This means that, if the student drove to school, the car would remain at CVCC. Please note that if a school division does not provide a shuttle bus, the parents/guardians are responsible for their students' transportation in the event of an inclement weather early dismissal.**

Parent/Guardian Name (please print): \_\_\_\_\_

Parent/Guardian Signature: \_\_\_\_\_ Date: \_\_\_\_\_
